CLASS POLICIES- Classes are 1 day a week (same day and time). **Register online** at hillsgymnastics.com. Space permitting, students may join at any time. When a student misses a class, they receive a makeup token. This token can be used to schedule a make-up class (register in advance) or attend open gym. Space permitting, students may register for a trial/drop in class at the single class rate (register in advance).

TUITION POLICIES- Tuition price listed above is based on four classes per month. **Some months may have three or five classes based on the number of weeks or holidays.** Tuition will increase if your class has a fifth week in that calendar month and will be prorated if there are less than four classes. Once a family is billed for a month, there are NO REFUNDS. Families can set their start and drop dates (give 2 weeks notice). Classes are billed on the 1st of each month. Make up tokens or credits are given to students who drop their enrollment mid-month. **Family discounts** are given for additional classes in the SAME family. The most expensive class is full price and additional children receive a **10% discount** (same month, immediate family only). A student that enrolls in **2 classes per week** (in the same month) receives a **25% discount on the second class**, no other discount applies. **This was updated and posted 8/10/23.**
